

How to Activate Student Card

The student can activate your student card by yourself via SIT Activation Website. There are 2 ways to access SIT Activation Website. There are :

1. To scan QR Code for SIT Activation Web Site. then, please follow the process.

Activation

Manual

2. Go to the Web Site for Activate

The screenshot shows the website sit.kmutt.ac.th with the following steps highlighted:

1. Go to SIT.KMUTT.AC.TH
2. Click on [นักศึกษาปัจจุบัน](#) (Current Student)
3. Click on **INFRASTRUCTURE SERVICES**
4. Click on **Access Control Activation**

The 'Access Control Activation' section includes the following text: "Access Control Activation is an access control service to activates student cards for door access in SIT building." and links for "Access Control Activation", "Access Control Activation Request Status", and "Access Control Activation Manual".

If you can't activate your card, pls give your student card to the Academic Administration Officer, On the 2FL, of SIT's building or call ServiceDesk tel. 9879.
