11:00 a.m.: Break

11.05 a.m.: Question and Answer

### Abstract:

Thailand is implementing the Personal Data Privacy Act (PDPA) which is largely based on the GDPR, and it will be in effect in May of this year. Compliance will be one of the main challenges facing most Thai organizations in both the public and private sectors. This seminar shares the experiences and some insight from one of the experts in GDPR compliance when it was implemented at the JAMK University of Applied Sciences. Questions and concerns from the audience regarding PDPA compliance may also be addressed or clarified.
