

Announcement
School of Information Technology at KMUTT
Thesis/Project Progress Examination 2/2022

School of Information Technology requires every graduate student who does thesis/special project to conduct a work progress examination. Read the following requirements. *Note:* Those who plan to take the final thesis defense or complete the special project report by May 5, 2023 **do not** need to participate.

1. Do an online presentation of a work progress on Saturday, May 27, 2023 at 9:00 a.m.
2. Prepare Power Point presentation file, including: Title, Rationale, Literature Review, Research Question, Methodology and Work-plan Achievement. Do not submit the file.

3. Fill in a thesis/project title at: <https://forms.gle/TMigxKmvjw9PTiSz9> or  from today to May 17, 2023.

4. Every graduate student (MSc/PhD) doing thesis or special project must submit a work progress report (B-2/1 or U-2/1) by scanning and email it to aphorn@sit.kmutt.ac.th by May 31, 2023.

5. Plan to spend about 15-20 minutes for the presentation to an exam committee.

Announced: 11 May 2023
