

**Announcement**  
**School of Information Technology at KMUTT**  
**Thesis/Project Progress Examination 2/2023**

School of Information Technology requires every graduate student who does thesis/special project to conduct a work progress examination. Read the following requirements. *Note:* Those who plan to take the final thesis defense or complete the special project report by April 30, 2024 **do not** need to participate.

1. Do an online presentation of a work progress on Saturday, May 18, 2024 at 9:00 a.m.
  
2. Prepare Power Point presentation file, including: Title, Rationale, Literature Review, Research Question, Methodology and Work-plan Achievement. Do not submit the file.
  
3. Fill in a thesis/project title at: <https://forms.gle/CQM63s1FCkmivLSR7> or  from today to May 10, 2024
  
4. Plan to spend about 15-20 minutes for the presentation to an exam committee.

Announced: 1 May 2024
